Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

Actuarial Study Materials

For both MLC and MFE I have gone through the ACTEX manuals initially to get a nice overview of the material. Then I went through the ASM manual for a more thorough review of the material. I finally alternated between the practice exams from each manual, which I thought were both useful and different from the other.
