LibriVox is a unique platform, where you can rather download free audiobooks. The audiobooks are read by volunteers from all over the world and are free to listen on your mobile device, iPODs, computers and can be even burnt into a CD. The collections also include classic literature and books that are obsolete.

Edition
laying foundational material, and it becomes more applied toward the last 1/3.

This is just fine, because the last 1/3 will make no sense without the first 2/3.
