Contemporary art and its commercial markets : a report on ...

Contemporary art is the art of today, produced in the second half of the 20th century or in the 21st century. Contemporary artists work in a globally influenced, culturally diverse, and technologically advancing world. Their art is a dynamic combination of materials, methods, concepts, and subjects that continue the challenging of boundaries that was already well underway in the 20th century.

Contemporary art - Wikipedia

Intended as a reaction to preceding modern art movements, contemporary art is thought to have begun on the heels of Pop Art. In post-war Britain and America, Pop Art was pioneered by artists like Andy Warhol and Roy Lichtenstein. It is defined by an interest in portraying mass culture and reimagining commercial products as accessible art.
