The Middle Class Income. Here is the good news: millionaire status is very much within the reach of America's middle-classes who earn higher-than-average incomes. A typical middle-class family has a combined household income of \$97,000, with upper middle class households bringing in incomes above \$100,000. Bartlett offers an example of a ...

How To Go from Middle Class to Millionaire | GuideVine

Russ Alan Prince, author of The Middle-Class Millionaire, has been trying to understand a new sub-class of Americans called the "working rich". Prince defines them as those with net worths between \$1 million and \$10 million, but who still work for a living. After conducting a survey of both middle-class millionaires and those just plain "middle class" (defined as having income of ...
