Multiple Intelligences: New Horizons In

Multiple Intelligences: New Horizons in Theory and Practice Paperback – July 4, 2006 by Howard E. Gardner (Author) 4.5 out of 5 stars 112 ratings

Multiple Intelligences: New Horizons in Theory and ...

Multiple Intelligences: New Horizons. Gardner's seminal account of the practical applications of Multiple Intelligences theory is now completely updated and expanded to reflect the latest developments in the field. The first decade of research on MI theory and practice was reported in the 1993 edition of Multiple Intelligences. This new edition covers all developments since then and stands as the most thorough and up-to-date account of MI available.

Howard Gardner | Multiple Intelligences: New Horizons

Gardner tackles those "new horizons" in a final section that I thought was pretty much fluff. A chapter on multiple intelligence theory and the workplace seemed downright goofy. The ostensible goal of this book is to re-introduce Gardner's theory and to explain its application. It fails on both counts.
