### Music Production By Michael Zager

The guidance of a skilled music producer will always be a key factor in producing a great recording. In that sense, as Michael Zager points out in his second edition of Music Production: For Producers, Composer, Arrangers, and Students, the job of a music producer is analogous to that of a film director, polishing work product to its finest sheen. And this is no small matter in an age when the recording industry is undergoing its most radical change in over half a century.
