My System (German: Mein System) is a book on chess theory written by Aron Nimzowitsch. Originally over a series of five brochures from 1925 to 1927, the book—one of the early works on hypermodernism—introduced many new concepts to followers of the modern school of thought. It is generally considered to be one of the most important books in the history of chess.

My System - Wikipedia

Nimzowitsch described My System as a chess manual based "on entirely new principles." His idea that pawn masses at the center of the board might be a liability -- vulnerable to attack from the flanks -- was revolutionary, toppling verities and generating fierce resistance.
