In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

Note Towards A Marxist Perception

Note Towards a Marxist Perception of Indian History The Marxist, XXVI 4, October-December 2010 IRFAN HABIB In this Note, an attempt is first made to present to an audience well-versed in Marxist theory the main problems that have arisen during the development of Marxist historiography from Marx's time onwards. The second part is concerned with the major findings of Marxist
