largely impacted my life, and others that have left a mere dent of influence. I have come to be able to differentiate between the characteristics that comprise a good teacher, and those that do quite the opposite.

Philosophy of Education Paper

This paper should focus on a tight integration of a traditional Western educational philosophy (i.e., progressivism, existentialism, perennialism, and essentialism) and your personal application of this theory in your classroom. An alternate paper might develop the rationale for a new school.

Educational Philosophy Paper Information

My personal philosophy of education is comprised of essential ideals that I believe an effective teacher should possess. Every single child on this earth is different, so how can I assume that a simple lecture is enough for my students? John Dewey professed about teaching to the whole child; that is just one little piece that I think makes an effective teacher.
