Chapter 2 of Principles of Federal Appropriations Law discusses key appropriations terminology, the budget and appropriations process, distinctions between authorizations and appropriations, constitutional limitations upon the power of the purse, and criteria to determine whether to construe general provisions in appropriations measures as permanent legislation.

Principles of Federal Appropriations Law: Fourth Edition ...

What Are Human Rights? Human rights are the fundamental rights and freedoms that belong to every single one of us. The traumatic events of World War II dramatically brought home that these rights are not always universally respected. So, in 1948, representatives from the 50 member states of the United Nations came together under the guidance of Eleanor Roosevelt to devise a
