Realms Of The Human Unconscious

Realms of the Human Unconscious indicates that the human mind is not only our most powerful asset but also our most underused asset as we rarely develop it. Perhaps consciousness is like a radio station we've tuned into for the time being, by modifying the receptors in our brains we can temporarily turn the dial on the radio hardware, allowing us to pick up a different signal.

Stanislav Grof, M.D. REALMS OF THE HUMAN UNCONSCIOUS

Stanislav Grof's landmark work in, "Realms of the Human Unconscious: Observations from LSD Research," is a most refreshingly unbiased comprehensive presentation of the individual and collective Human Unconscious potential I have ever studied. One might easily protest that studies based on controlled LSD administraton can hardly be unbiased.

Realms of the Human Unconscious: Observations from LSD ...

A pioneering and revolutionary book that lays the foundation for a radical new psychology, based on an expanded cartography of the human unconscious Famous for his lifelong research into psychedelic drugs, Dr Grof constructs a comprehensive and helpful framework out of the bewildering wealth of experiences triggered by LSD in patients and research subjects Current research into the brain and ...

Realms of the Human Unconscious - Stanislav Grof ...

This is outlined in another of Stanislav's books, 'The Adventure of Self-Discovery', which induces a different state of consciousness without the use of drugs. 'Realms of the Human Unconscious' is worth reading for this 'fringe' material and also for not letting Grof's work of the 60's and 70's go unnoticed. Read more.
