● Door-to-door sales is very often a hit-n-trial technique of sales, unless you can find the pulse of the prospective customer immediately and say just the right things, a task which is by no means an easy one. Try not being demotivated. It will show in your personality and in turn, will have a negative impact on the potential buyers.

### Door-to-door Sales Tips to Help You Persuade Like a Pro ...

Sales people use a technique called "mirroring" to build trust between themselves and the customer. This involves analysing the customer's body language and subtly adjusting your own to match it in certain ways. This helps to build rapport with the person you are talking to, which will then make it easier to persuade them.

### 7 Tips For Improving Your Sales Persuasion Skills

Sales copy aims to persuade a reader to take a specific action—to buy a product, inquire about your service, join your email list, download a free report, or follow you on social media. Sales copy is used in emails, on web pages or in sales brochures.
