SB 26, as amended, Leyva. Sex offenders: access to schools. Existing law makes it a misdemeanor for any person who is required to register as a sex offender to come into any school building or upon any school grounds without lawful business and written permission from the chief administrative official of that school.

Bill Text - SB-26 Sex offenders: access to schools.
Although the SB-26 is not a Nikon CLS flash, it can be a great unit to add to any existing wireless flash set-up. Value for money is excellent, you get a powerful flash with a built-in slave for around \$ 100. The SB-26 is a bit more bulky then the newer SB-600 and SB-800, and the dual lock on the flash head is rather inconvenient.

Nikon SB-26 Review - momentcorp.com
The SB-25, 26 and 28 have better low output control, including 1/32 and 1/64. Of these, only the SB-26 offers wireless support, so if you plan to use the others you'll need to go with wired sync connectors or wireless triggering units.
