Short Answer Patterns . The structure of a short answer is important. Without a subject and an auxiliary verb, a short answer is not a full answer. However, a short answer does not need to entirely restate a question. Because they often lack a main verb, they are technically not complete sentences.

What Is a Short Answer and How Is It Used?

In a short answer question, the student types in a word or phrase in response to a question (that may include a image). Answers may or may not be case sensitive. The answer could be a word or a phrase, but it must match one of your acceptable answers exactly. It's a good idea to keep the required answer as short as possible to avoid missing a correct answer that's phrased differently. The Quiz and Lesson modules both have short answer question types.
