*Sleeping with the Dictionary* creates an English unmade, an unEnglish made, one that participates in a racially inflected composite culture. The poems similarly unravel and recast narrative: "The way the story goes, a trespassing towheaded pre-teen barged into the rustic country cottage of a nuclear family of anthropomorphic bruins" or ". . . our story unwinds with the curious dynamics of an action flick without a white protagonist."

### Sleeping with the Dictionary - Constant Critic

Many of the other poems in *Sleeping with the Dictionary* employ similar collection and arrangement techniques. Others use the Oulipian "n + 7" technique or are the result of a heavily employed thesaurus on an already existing text. Prose poems coexist with list poems, restricted form with out-of-control funk.

The idea of sleeping with the dictionary suggests not only being intimate with language but also a

relationship with dreams and altered states of consciousness. Our use of language is not only rational, but also irrational, unconscious, and intuitive.

And, indeed, Mullen's affirmed appropriation in Sleeping with the Dictionary is explicit, especially in one of the collection's most famous poems, "Dim Lady" (21), a not-so-subtle appropriation of Shakespeare's "Sonnet 130." In this prosified sonnet, Shakespeare's language is reinterpreted through a bizarre mixture of racialized slang, intimate terms of endearment, synthetic stand-ins, and words that barely function as synonyms for those they replace, as in the poem's first ...

Overview. Harryette Mullen's fifth poetry collection, Sleeping with the Dictionary, is the abecedarian offspring of her collaboration with two of the poet's most seductive writing partners, Roget's Thesaurus and The American Heritage Dictionary. In her ménage à trois with these faithful companions, the poet is aware that while Roget seems obsessed with categories and hierarchies, the American Heritage, whatever its faults, was compiled with the assistance of a democratic usage panel that ...

Sleeping with the Dictionary is less conceptual than those others. It's more like a miscellaneous collection of verse and prose poems written since my move to California. Many of them have a Los Angeles or Bay Area setting. More significantly, the title indicates my on-going concern with meaning and the social context of language.
