Sustainable Tourism Potential And Challenges

Stakeholders holding difficult dialogues and tourism promotion authorities recognising the need for sustainable tourism products are also attempts at making tourism more sustainable. Tourists concerned with sustainability are also aiming to bring about a 'better world', as they pursue their travels with social responsibility in mind.

Sustainable tourism, progress, challenges and ...

Overtourism may sound like the definition of a first-world problem — long lines for cold-brew coffee, too many tourists at the Sagrada Familia to get that perfect selfie — but in reality, it negatively impacts local people and our planet. Travelers can help combat this problem by not merely thinking in terms of “where to avoid the trend seekers,” but by understanding the challenges facing sustainable tourism and through smart, inspired actions.
