The Custom of the Army is a Lord John novella, set in 1759, involving an electric eel party, an ill-fated duel, and the Battle of Quebec. It was originally published in the anthology WARRIORS, edited by George R.R. Martin and Gardner Dozois. (Later this anthology was published in three paperback volumes: "The Custom of the Army" is in WARRIORS 3. Evidently, people didn't care for that approach, though; I see a new single paperback is being released in early 2013.)
