The Healing of America Summary and Study Guide | SuperSummary

The Healing of America: A Global Quest for Better, Cheaper, and Fairer Health Care is a New York Times bestseller from journalist T. R. Reid. Reid draws contrasts between health care systems in a half-a-dozen wealthy nations with the health care models followed in the United States, in a straightforward, easy to read narrative. The countries whose systems are discussed are: France, Germany, Japan, the United Kingdom, Canada and a specific example from India. Reid visited all these countries pers
