The Keep Watchers 4 Veronica

The Keep was a much darker and more isolated book than the others in the series. Annalise Drew is more alone and isolated in this book. She has lost many friends and people she considered family.

The Keep (The Watchers) (Volume 4): Wolff, Veronica ...

But The Watchers is one of those few series for me and I legit can't get enough of it. Mainly because it's pretty brutal and Drew's kind of a BAMF and doesn't take any crap. One of two things I didn't like about THE KEEP is that the plot is largely unresolved at the end.

Veronica Wolff was an aspiring art historian when she realized that academic writing was not the place to explore her romantic flights of fancy. She lived everywhere from Hawaii to Texas to India before finally settling in Northern California, where she lives with her husband and their two children.
