The New Father: A Dad's Guide to the First Year by Armin A ...

Being a father in this era of changing family structures and converging gender roles means more than bringing home a paycheck or delivering punishment to a misbehaving child. A new survey by the Pew Research Center finds that Americans expect dad to be more of a moral teacher and emotional comforter than a breadwinner or disciplinarian.

The New American Father. | Fatherhood.gov

New dads have one thing in common: They don't know what they don't know. That is, until they're not really new dads anymore, and what they know now becomes what they wish they would've known then. A lot can happen during those years between the trip home from the delivery room and, well, what comes next. And it's those years that experienced fathers often look back on with precise ...
