Training Tessa (2012) About book: I liked this story. It's only 98 pgs. Good story and detailed, but cliffhanger. Tessa needed this job to help pay for her moms care. Excited about the job, Tessa never read the contract, which stated she will be punished if she does wrong. Mason is a control freak with sever OCD and germ issues.

Like many Lyla Sinclair stories, this novella contains various BDSM elements, including domination, restraint, corporal punishment, and anal sex, as well as unconventional use of office supplies. Training Tessa also contains a few humorous moments. Avoid this story if humor annoys you. (This is not a ménage novella.)
