If you're looking for some fun fiction to enjoy on an Android device, Google's bookshop is worth a look, but Play Books feel like something of an afterthought compared to the well developed Play Music.

Transportation Engineering Class Notes Testmasters

I just got an email from Testmasters offering more notes in addition to the notes given in class. The hydrology and culvert notes are complete, the transportation and traffic seem to be missing the equations on a lot of pages, so maybe they'll fix that soon? Anyway, here is the link to what they have. Beware, it is a LOT.

Applicants for an engineering license must first pass the Fundamentals of Engineering exam, after which they are known as "Engineers-In-Training." They must then pass a second exam, known as the Principles and Practice of Engineering exam. Testmasters offers courses for both test types, with specific reviews for various Engineering disciplines:

Engineering Courses | Testmasters

There has been a few changes to PE Exam for the April 2015 Exam. It is not divided into transportation, structural, geotechnical, water resources, and construction engineering anymore. The new test has most of the same engineering topics. They are more clearly defined and just separated differently. Below is the new list of topics.

Civil PE Exam Breadth Notes - Civil Engineering

Every teacher prepares his own course notes, so they are all slightly different in layout between sections. The one thing I did do was to break the Testmaster's notes into about 6 or 7 separate notebooks(one for trans, one for geo, etc..) with tabs for the important stuff. I used these notes instead of the CERM almost exclusively.

Thinking about signing up for Testmasters - Engineer Boards
