Tribe On Homecoming And Belonging

Combining history, psychology, and anthropology, Tribe explores what we can learn from tribal societies about loyalty, belonging, and the eternal human quest for meaning. It explains the irony that-for many veterans as well as civilians-war feels better than peace, adversity can turn out to be a blessing, and disasters are sometimes remembered more fondly than weddings or tropical vacations.

Tribe Quotes by Sebastian Junger - Goodreads

The loss of closeness that comes at the end of deployment may explain the high rates of post-traumatic stress disorder suffered by military veterans today. Combining history, psychology, and anthropology, Tribe explores what we can learn from tribal societies about loyalty, belonging, and the eternal human quest for meaning.

Tribe: On Homecoming and Belonging by Sebastian Junger ...

One of his central themes is the idea that soldiers in combat situations have such an intense experience of interdependency, solidarity and community that they often struggle upon returning to civilian life in the US, in which there rarely is any similar sort of community to which they can belong. TRIBE is well-worth reading for pointed socio-political questions it asks about American civic life and for the keen observations it makes about the combat experience.

Tribe On Homecoming & Belonging: Sebastian Junger ...

The latest book from Sebastian Junger is a short, yet very thought-provoking read. Tribe is an exploration into human nature and the root cause of post-traumatic stress disorder (PTSD) suffered by soldiers after they return home. Junger attempts to shed light on a puzzling paradox.
