### Complete Catalogue of the Painting of Johannes Vermeer

The following is a list of paintings by the Dutch Golden Age painter Johannes Vermeer. After two or three early history paintings, he concentrated almost entirely on genre works, typically interiors with one or two figures. His popularity is due less to his subject matter than to the poetic manner in which he portrays his subjects. Vermeer's paintings of the 1660s are generally more popular than his work from the 1670s: in the eyes of some, his later work is colder. Today, 34 paintings are firm
